

Southwood

Weekly Update /

Mise à jour hebdomadaire

November 21 - 25, 2022

Staying In-Person at Southwood Park

We are happy to be back in-person this week at school. All regular activities will be continuing as planned, including the Grade 6 Claremont Trip and all other extracurricular activities.

Photo Retake Day – Monday, November 21

We will be having a Photo Retake Day on Monday. Photographers will be at the school until lunchtime.

Library Construction

Library construction is beginning this week. The library will be closed for use this week. We will give an update on the progress of the project in the Weekly Update next week. Room 210 (Ms. Hembruff's class) will be using the Staff Room as their classroom until the construction in the library is completed.

Reminder of Staff Only Parking

A reminder to all families that parking on school property is for *staff only*. We recognize that the area in front of the school is very busy during the entry and exit times, but appreciate drivers following this rule as several families enter and exit using the school parking lot and grounds.

Have a wonderful week,
Mr. Budd & Ms. Saati
